

## TABLE OF CONTENTS

### **Section I – Introduction:**

Purpose  
Scope  
Relationship with Other Plans  
Mission  
Assumptions

### **Section II – Mitigation / Hazard Vulnerability Analysis**

### **Section III – Incident Command & Communication:**

Purpose  
Key Definitions  
Procedures When an Emergency or Crisis Occurs  
Recovery from an Emergency or Crisis  
Signatures  
Appendix A – Emergency Management Checklist for Level 1 & 2 Emergencies  
Appendix B – Emergency Management Checklist for Level 2 & 3 Emergencies  
Appendix C – Incident Command Phone List “Confidential”

### **Section IV – Incident Specific Plans:**

The HVA as referenced in Section II of this plan contains a list of “incident specific” conditions/emergencies that have been assessed for risk/impact to the university. Subsequently, incident specific protocols have been developed based on risk priority. Below is a summary of incident specific protocols (TAB’s), which a written protocol has been developed and can be found:

Power Failure – Electrical Emergency.....	Tab A
Information Systems Failure.....	Tab K-1
Bomb Threat or Suspicious Packages.....	Tab O
Active Shooter/Hostage Barricade Incident .....	Tab Q
Fire Emergency.....	Tab X
Extreme Weather Conditions.....	Tab JJ
Pandemic/Campus Outbreak.....	Tab SS

### **Section V – Exhibits:**

Emergency Power & Facility Communications Summary.....	Exhibit I
Incident Command Team Equipment Inventory.....	Exhibit II
